Commodity contracts added in 2006 relate to 'out of the money' power sales contracts acquired as part of the acquisition of Coletto Creek. The provisions utilised are credited to revenue in the income statement and are expected to be fully utilised by 2014.

The majority of the 'other' provisions relate to liabilities in respect of onerous property leases, employee-related compensation, amounts provided for long service and annual leave liabilities, and for mine site restoration. These liabilities are not expected to arise in the short-term. The Directors are uncertain as to the timing of when these provisions will be utilised.
